Best Practices: Community Paramedicine / Quick Response Teams

FST 3043: Community Paramedicine

2 Day Residency: March 12, 2018 (at Boy Scouts of America) & March 13, 2018 (at CAT House)

This course is designed to examine frequent callers to 911 for EMS services, and how some Fire/EMS agencies are finding unique solutions to combat the issues that our communities face daily. Community paramedics interact and treat patients in changing ways, engaging a wide variety of community resources, to meet the needs of frequent users of the EMS system.

“HUGS” PROGRAM - CENTER FOR ADDICTION TREATMENT ALUMNI - HUGGING PARAMEDICS WHO SAVED THEM
