

UC Chemical Engineering Professor represents UC at HERS

2016 Summer Institute in Denver, Colorado

Dr. Chia-Chi Ho, a chemical engineering professor, was selected to represent UC at the Higher Education Resource Services (HERS) 2016 Summer Institute. This group works to

“create and sustain a community of women leaders in higher education through premier leadership development training and programs.” Ho was also named as a Fellow of the American Council on Education (ACE) for the academic year 2016-17. She was nominated for the fellowship by UC President Santa J. Ono.
