

Dr. Teri Reed Receives SPE Distinguished Membership from Society of Petroleum Engineers

The Society of Petroleum Engineers (SPE) recently honored **Dr. Teri Reed** with SPE Distinguished Membership at their Annual Technical Conference and Exhibition held 9-11 October in San Antonio, TX. Dr. Reed joined UC at the beginning of the last academic year and serves UC as Assistant Vice President for Economic Development and Professor in the Chemical Engineering Program. The Distinguished Member award recognizes SPE members who achieve eminence in the petroleum industry or the academic community and Dr. Reed received this award as recognition for her internationally-renowned work in engineering education. She has made significant strides in this field, particularly in the areas of curriculum, equity

and student recruitment and retention.

Congratulations Dr. Reed and thank you for all your efforts!
