To Register — don’t need to be UC student, just submit Basic Data Form · UC Registrar’s web site: [https://www.uc.edu/registrar/registrar_forms/basic-data-form-for-non-matriculated-students.html](https://www.uc.edu/registrar/registrar_forms/basic-data-form-for-non-matriculated-students.html) Need help, contact Program Coordinator Raena Hoskins, 513-556-6583.

UC Fire Science
Best Practices:
Unmanned Aircraft for Emergency Responders

FST3055: UAVs [Drones] For Emergency Responders

2-Day Residency: October 1 & 2, 2018 (1 credit hour, $459)

Oct. 1: UAV Flight Lab, Room 311 Science Building at 2830 Victory Parkway, Cinti OH 45206

Oct. 2: Mobilcomm, 1211 W Sharon Rd, Cincinnati, OH 45240

3 credits– Online Fall Semester, Second Session

This course is design to educate about unmanned aerial systems and how they can benefit emergency services. It will focus on operating drones in a safe, reliable and accountable manner. Students will learn the laws, policies, and privacy concerns regarding the use of this technology by emergency management agencies, including how emergency management personnel can seek FAA authorization to fly these drones in
