

College of Engineering & Applied Science
GRADUATE CREDIT REGISTRATION FOR A SENIOR

If a student wants to earn graduate credit while a senior.

Name: _____ **UC ID#:** _____

Major: _____ **Class of:** _____

Overall QPA: _____ (it must be 2.70 or higher)

Overall QPA since registration as a third year student: _____ (it must be 3.00 or higher)

I request approval to register for the following course:

Course Title: _____ **Course Number:** _____ - _____ - _____

I understand that a maximum of 10 semester (15 quarter) graduate credits may be earned while a senior. Also, no course may count for both graduate and undergraduate credit. A course taken for graduate credit will not apply toward fulfillment of my undergraduate degree.

I understand that registration for graduate credit does not constitute acceptance into a graduate program at this institution and that the College cannot guarantee transferability of these credits to another department or institution.

Student Signature

Date

Department Approval

Based on this student's academic record, the requirements for graduate credit registration are met.
